## A photograph showing three young girls sitting at a wooden table in a classroom, engaged in a dot-marker activity. The girl in the foreground, with blonde hair tied in a ponytail with a pink hair tie, is using a red marker to fill in dots on a sheet of paper. The girl in the middle, with dark hair tied in a ponytail with a pink hair clip, is using a green marker to fill in dots on a sheet of paper. The girl in the background, with dark hair, is also using a green marker to fill in dots on a sheet of paper. There are dice and other materials on the table. A hand with a white wristband is visible on the left side of the frame, possibly belonging to an adult. The background shows a classroom setting with a blue chair and a green sign that says "Maxim".
